Dear Mr. Downs and Staff:

Thank you so much for your recent donation of \$1,000.00 to support our Fall event at Messina Hof. Your generous donation was a great help in making it our best event yet. The \$8,000.00 raised by *Herd It Through The Grapevine* will help fund our future expansion plans.

The event was well attended with over 400 participants in the various events. Enclosed is a photo from the event.

Thanks to strong community commitment that continues to grow each year we are heading toward 1999 with great hopes for the future. On behalf of all our animal friends who cannot speak for themselves, we say thank you for all your continued support.

Dear Jimmie and Friends,

We appreciate your recent generous donation of \$3000 that will be restricted to benefit the cat areas of our capital expansion. Your gift will be a big help in supporting the shelter's growth in the area of feline care. At our 4th annual Pet Pajama Party on Friday, July 27th we adopted 52 pets (most of them cats) to animal lovers who had an approved application and who were dressed in pajamas. With your help our staff will continue to provide care for many of the unwanted and abandoned pets that seek shelter with us.

This time of year we receive hundreds of pets each month that are orphaned or lost, and no pet is ever turned away from the Brazos Animal Shelter. Thank you again for supporting our animal protection programs, and with your help we will continue to speak for those who cannot speak for themselves.

Dear Ben and staff,

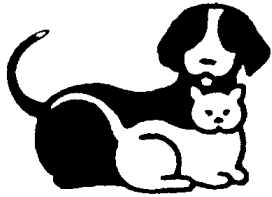

We appreciate your recent help with promoting on WTAW and KTSR our *Herd It Through the Grapevines* that was on Saturday, October 28th at Messina Hof. *Herd It* is one of our most popular events and this fun day included a 5K run/3K walk, a competitive and fun filled pet show, and a Texas sized cake walk. This year's *Herd It* raised a lot of money for our Expansion Plan!

Thank you again for supporting our programs and events as we look forward to another great year, and with your help we will continue to speak for those who cannot speak for themselves. Dear Ben,

Thank you for your help with promotion of Adoptathon 2000 with wonderful media coverage by your staff. This event was extremely successful with the placement of 140 pets into new homes. We even placed 2 hamsters and 6 baby ducks into new homes during this event! We were able to accomplish this because of help from sponsors, KBTX-TV, the Eagle, WTAW-KTSR, spay/neuter surgeries by TAMU and local veterinarians, foster families, Douglass Nissan, and dedicated volunteers. Subway and the Feed Barn donated food to keep staff and volunteers going.

This annual Adoptathon, held each year on the first Saturday in May, is one of our most popular events, and each year it gets better. The staff of the Brazos Animal Shelter looks forward to another 'life saving' year in 2001 and appreciates your support!

Although the OPAS Guild's *Star Spangled Gala 2002* is now a part of history, the memories we all have will be treasured for a lifetime. Not only was it the social event of the year, it was financially successful. This simply could not happen without the strong support of our media sponsors like Newstalk 1620 WTAW.

Cathy and I know how far out of your way you went to announce the Gala. We heard it on the air many more times than were promised as a part of your sponsorship. We know the event was successful because of your help.

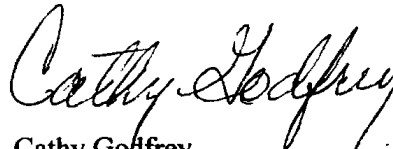

With your help, the OPAS Guild will be able to fulfill its mission of bringing the excitement of live theater and an appreciation of the arts to the children of the Brazos Valley. Your in-kind donation is a statement of recognition that MSC-OPAS programs lend beauty, creativity, vitality and well being to our entire community. On behalf of the Texas patients served by American Red Cross Blood Services, I wanted to thank you for the recent blood drive held at the Galleria Tower. At this drive, a total of 25 people participated, resulting in 17 donors able to share the gift of life. That means as many as 51 patients' lives were touched because of the generosity of your organization.

You, along with all the donors at your drive, performed a great service to our community. You are among a very small percentage (5%) of our population that gives so that others may live. Good people live because of you! Thank you for being a part of that group. Please know how much you and all your blood donors are appreciated, not only by the American Red Cross, but by so many people in need of the gift of life.
